Apartado de Correos 375 . Ronda 29400 . Málaga . España

Email: [abs.sociedad@gmail.com](mailto:abs.sociedad@gmail.com) Website: [www.andaluciabirdsociety.org](http://www.andaluciabirdsociety.org)

Inscribir la Asociación Andalusia Bird Society en el Registro de Asociaciones de Andalucía asignándole el número 8413 de la Sección 1.

## Status Codes for Bird Species in Andalusia:

### Breeding Status Codes

- rB** Resident Breeding Species
- mB** Migratory Breeding Species
- rmB** Resident Breeding Species with a small number of migratory
- mrB** Migratory Breeding Species with a small number of resident

To these Status Codes a qualifier may be attached as shown below.

- 1 Very abundant (estimated > 100,000 pairs)
- 2 Abundant (estimated > 10,000 pairs)
- 3 Fairly Abundant (estimated > 5,000 pairs)
- 4 Fairly Scarce (estimated > 1,000 pairs)
- 5 Scarce or Local (estimated > 100 pairs)
- 6 Very Scarce or Very Local (estimated > 30 pairs)
- 7 Rare (estimated < 30 pairs)

### Other Status Codes

- S** Summer Visitor
- W** Winter Visitor
- P** Passage Visitor

To these Status Codes the same qualifier may be added as those of the Breeding Status Codes but the estimates refer to the number of birds not pairs.

- V** Vagrant

A qualifier may be attached to Vagrant as follow:

- \* Annual Vagrant in some numbers
- \*\* Only a few records in a year or most years
- \*\*\* Only one or a few records per decade

- E** All records thought to involve escapes from captivity

- R** All records that are listed on the ABS Rarities List
